Lisa, It is not UPR, it is Interamerican that got the TcTAC.
They are on our grant, AND WE ARE ON THEIRS.
So a lot of budget amendments will have to be done.

See you tomorrow.

Hi Peggy:

Looking forward to seeing you tomorrow. I was able to get some answers on PR- I think there will have to be some coordination and maybe joint training or projects with the 2 TCTACS, but it does allow WEACT to focus more of the work and funding on mainland communities and projects, and UPR to focus on territories.

I am sure you will get more guidance starting tomorrow.

Congrats again!

Thanks much.

Hi Lisa,

My number is Ex. 6 Personal Privacy (PP)

Talk soon. I am a bit concerned that we still need Interamerican University if you have UPR.
